

CHRONO

OLL 84-4804/1
19 December 1984

MEMORANDUM FOR THE RECORD

SUBJECT: Senator Symms [redacted]

REFERENCE: [redacted] MFR of 17 Dec 84 (OLL 84-4804)

Further to reference:

1. I called Bob Magee, D/OP, to see what the record showed. He found a January 1984 note from the DCI to explore the possibility of using [redacted] as suggested by Senator Symms. Other memos make note of [redacted] (now EA/DCI) checking details and C/LA requesting [redacted] assignment on 29 February. The Marine Corps responded on 11 May 1984 that he could not be released.

2. By coincidence I met Gen. Lloyd Smith, Director of Intelligence, U.S. Marine Corps, the evening of the 17th, commented on Senator Symms interest in [redacted] and asked Gen. Smith if he knew [redacted]. He said he did, that [redacted] was a very capable officer, that he was aware of [redacted] interest in a CIA assignment, that he thought it best from a career standpoint to get the War College experience under his belt first and then perhaps be assigned to the Agency.
